# 1. Introduction

The Cheque collection policy of **Sumitomo Mitsui Banking Corporation**, India (referred hereafter as “SMBC”) is a reflection of our on-going efforts to provide better service to our customers and set higher standards for performance. The policy is based on principles of transparency and fairness in the treatment of customers. SMBC is committed to increased use of technology to provide quick collection services to its customers.

The Reserve Bank of India had, with effect from 1st November 2004, withdrawn its earlier instructions to commercial banks on:

- i. Time Frame for Collection of Local / Outstation Instruments
- ii. Interest Payment for Delayed Collection.

The policy document covers the following aspects:

- Collection of cheques and other instruments payable locally and at centres within India
- Our commitment regarding time norms for collection of instruments.
- Policy on payment of interest in cases where we fail to meet time norms for realization of proceeds of outstation instruments.
- Our policy on dealing with collection instruments lost in transit.

This policy is applicable for customer who does not avail of cash management services from SMBC.

## **2. Arrangement of collection**

### **2.1. Local Cheques**

All cheques and other Negotiable Instruments payable locally would be presented through the clearing system using the services of correspondent Banks.

Cheques deposited at the branch counter and in collection boxes within the branch premises before the specified cut-off time will be presented for clearing on the same day. Cheques deposited after the cut-off time and in collection boxes outside the branch premises will be presented in the next day clearing. As a policy, SMBC will give credit to the customer account on the same day that the credit has been received by us from our correspondent Banks. Withdrawal of amounts so credited would be permitted as per the cheque return schedule of the clearinghouse.

Timing for acceptance Cheques would be accepted on normal working days during business hours of the Bank branch.

#### **2.1.1. Speed clearing**

Outstation cheques drawn on banks participating in speed clearing at specified locations will be collected and treated at par with as if they were local cheques. All terms and conditions applicable for local clearing instruments will also apply to speed clearing.

Cheques drawn on Bank's own branches at outstation centers will be collected using the inter branch arrangements in vogue. Branches, which are connected through a centralized, processing arrangement and are offering anywhere banking services to its customer will provide same day credit to its customers in respect of outstation instruments drawn on any of its branches in the Core Banking Solution network.

The definition of outstation cheques excludes demand drafts, banker cheques, instruments, interest warrants, dividend warrants drawn on Bank itself.
