Strengths of TPE Branch's Services

TPE Branch's Ongoing Commitment to Sustainable Development

- SMBC is a leading force in green financing, dedicated to fostering a sustainable society and actively contributes to the Taiwan renewables market.
- TPE Branch's suite of financial instruments includes Sustainability-Linked Loans, Green Project Finance and Green Deposits, directing proceeds exclusively toward business addressing environmental and social challenges.
- TPE Branch is actively engaged in partnerships with the renewable energy industry in Taiwan, participating in onshore wind power, offshore wind power, and solar projects. We provide financial advisory services, project finance, and hedging solutions. Moving forward, we will continue to monitor and support the development of green energy in Taiwan.

TPE Branch's Extensive Support for Customer Business Development

- TPE Branch stands prepared to meet the diverse business needs of your company across regions such as China, South-East Asia and beyond.
- SMBC has cultivated longstanding and extensive partnerships with Japanese companies, demonstrating a profound understanding of the trends shaping the Japanese businesses landscape. We offer substantial expertise in supporting the business development of both Taiwanese and Japanese companies. If your company is interested in exploring collaborative opportunities with Japanese enterprises, please feel free to contact us at any time.
