### 2. The Offering by way of Over-Allotment

The Offering by way of Over-Allotment in “2. Secondary Offering of Shares (Offering by way of Over-Allotment)” above is a secondary offering in Japan to be made in conjunction with the Japanese public offering in “1. Issuance of New Shares by way of Offering” in an amount not to exceed 15,300,000 shares, that will be borrowed by one of the Joint Lead Managers for the Japanese public offering from certain shareholder(s) of SMFG (the “Borrowed Shares”), taking into account market demand for the offerings and other conditions.

In connection with the Offering by way of Over-Allotment, the Board of Directors of SMFG has resolved, at the meeting held on May 28, 2009 (Thurs.), that SMFG will issue 15,300,000 shares of its common stock by way of third-party allotment to that Joint Lead Manager with the payment date set to be July 27, 2009 (Mon.), as mentioned in “3. Issuance of New Shares by way of Third-Party Allotment” above.

That Joint Lead Manager may conduct stabilizing transactions during the period from Tuesday, June 16, 2009 through Wednesday, June 17, 2009, and the shares of common stock of SMFG purchased through such stabilizing transactions may be used, in whole or in part, to return the Borrowed Shares.

In addition, shares of common stock purchased through stabilization transactions, may, in whole or in part, be transferred to the International Managers for the purpose of partially settling the International Offering.

Furthermore, that Joint Lead Manager may also purchase shares of common stock of SMFG on the Tokyo Stock Exchange, Inc., up to the number of shares to be offered in the Offering by way of Over-Allotment (15,300,000 shares) (the “Syndicate Cover Transactions”) during the period from Thursday, June 18, 2009 through Friday, July 17, 2009 (the “Syndicate Cover Transaction Period”), and such shares of SMFG common stock purchased through Syndicate Cover Transactions shall be used to return the Borrowed Shares. During the Syndicate Cover Transaction Period, that Joint Lead Manager, at its discretion, may not conduct any Syndicate Cover Transactions or may terminate any Syndicate Cover Transactions before the number of shares purchased reaches the number of shares offered in the Offering by way of Over-Allotment.

That Joint Lead Manager plans to accept the allotment under the Issuance of New Shares by way of Third-Party Allotment of an equivalent number of shares of common stock of SMFG obtained by deducting (a) the number of shares purchased through stabilization transactions and Syndicate Cover Transactions that are to be used to return the Borrowed Shares, from (b) the number of shares to be offered in the Over-Allotment (15,300,000 shares).

Accordingly, all or a part of the shares to be issued under the Issuance of New Shares by way of Third-Party Allotment may not be subscribed for, which may result in a decrease in the maximum number of shares planned to be issued under the Issuance of New Shares by way of Third-Party Allotment, or in the cancellation of the entire issuance due to forfeiture.

The above transaction shall be made by that Joint Lead Manager in consultation with another designated Joint Lead Manager for the Japanese public offering.

### 3. Use of proceeds

SMFG plans to use the proceeds from the Japanese public offering, the International Offering and the Third-Party Allotment, estimated to be up to ¥879,800,000,000, to subscribe for shares of common stock to be issued by Sumitomo Mitsui Banking Corporation, a wholly owned subsidiary of SMFG.
